## How not to revise: the Facebook Groups guide

We thought we'd check the word on the Facebook street about GCSE revision. It seems like there's lots of going down, but is any of it worth a quick-click 'Like'? The voice of reason speaks...

Facebook revision Group says	 Likes (November 2010)	The voice of reason says
"Your homework is revision." WOOP! No homework!!!	169,871	Yeah, yeah... Short-term gain, long-term pain of having to re-sit GCSE English next year. It is WAY worse second time around...
How's Revision going?... Revision? LOL I need to LEARN everything first.	109,207	So? It'll be fresh in your mind that way. And you don't need to learn <i>everything</i> – check out our centre-page grid. Fill it in to work out exactly what you need to know and concentrate on that.
Revision: Staring at things you should know and thinking "Im Screwed" ...	109,064	You're only screwed if you waste your revision time thinking you're screwed.
im gonna do revision tonight.. LOL jk. gonna sit on facebook.	75,729	Facebook use while working lowers exam results by 20 per cent. Fact. Must be – we read it in <i>Metro</i> . Don't believe it? Ask <i>Google</i> .
I did loads of revision today. jk.... i went out in the sun _	56,765	Learn to spot false opposites. <i>Either</i> revision <i>or</i> sun? Try revision <i>and</i> sun. The vitamin D in the sunshine is good for you. Wear sunscreen.
I Hate Revision	16,070	Of course you do. Nobody likes revision. But unless you're planning on becoming Minister for Education any time real soon, you're kinda stuck with it. And you probably need a GCSE to become the next Education Minister anyway...
Remembering song lyrics is easy - but when it come to revision...	15,787	Since when did the two things have to be separate? Go turn your notes into song lyrics and sing them. It's intelligent behaviour. Don't believe it? <i>Google</i> "multiple intelligences".
Dear Revision, You suck.	5,003	Letters? Head to <a href="http://www.futureme.org">www.futureme.org</a> . Send your future self a letter about just how bad revision sucks and get it emailed back to you in three months/three years. How will it sound then?
"I WILL REVISE. I WILL I WILL I WILL!".. "Hey, did any revision?" "Er. No."	3,665	Fine words butter no parsnips. No idea what that means? Look it up: it's time to get your reference tools in action.
revision is just made to show you how much you dont listen in class!	2,081	Nope, revision is just made to show you how much you can learn in an incredibly short space of time if you really want to.
